

WorldSkills UK Competition – Heats

You are tasked to attend a crime scene set in office number 4J on the second floor

The authorities are looking at this suspect to discover any links to organised crime.

Your task is to attend the crime scene and carry out an examination to provide any and all evidence to the Senior Investigating Officer – DCI James Dunlop of GMP

You have equipment and cameras to produce your evidence.

Ensure you use the log books.

You have 60 minutes to complete this task.

Evidence recovery equipment is available. If you don't see what you need please ask.

You may ask questions relating to the case.

All evidence recovery should take place in line with the Forensic Regulators Codes of Practice including the Control and Avoidance of Contamination in Crime Scene Examination involving DNA Evidence Recovery.
